From Vision to Reality

Our History

Vision Quest Conferences Inc. is a non-profit, charitable organization formed through partnerships with the six Manitoba Aboriginal Community Futures Development Corporations.

Vision Quest Conference celebrated its 13th anniversary in 2009. The show was an undeniable success with over 900 individuals attending as delegates, trade show participants and sponsors. Our delegates were very pleased with the workshops, keynote presentations and entertainment, and our trade show participants found the showcase exceptionally well attended. The expectations of our valued sponsors were far surpassed.

Now in its 14th year, this annual Conference brings people together once again to discuss and promote Aboriginal Business, Community and Economic Development. It has become a very well-respected event; providing opportunities for learning, networking, information sharing, partnership building as well as cultural awareness and entertainment. In the past 13 years, more than 8,400 people have attended this great event.

Our Delegates

While many of our delegates travel from Manitoba, Saskatchewan, Northern Ontario and Alberta, Aboriginal leaders and entrepreneurs from as far away as Nunavut, Northwest Territories and the U.S.A. also participate. Our delegates include: Aboriginal Business Owners and Operators; Aboriginal Youth; Community Leaders; Economic Development Officers; Investors and Financial Institutions; Government and Corporate Representatives; Business and Community Service Providers; individuals or businesses interested in working with the Aboriginal community.
